

JAY ALLEN

PRODUCER / SENIOR RECORDING ENGINEER / VOCAL PRODUCER
SONGWRITER / MIX ENGINEER / SOUND DESIGNER

MIAMI + SOUTH FLORIDA / WORLDWIDE REMOTE

BIOGRAPHY

JAY ALLEN is a Miami-based producer, senior recording engineer, vocal producer, songwriter, mix engineer, and sound designer. More than a decade behind the console and 15+ years as a drummer shape a process built around pocket, performance, tone, and clean decision-making. His Commercial Music background at Florida Atlantic University supports a workflow that can move from first idea to final delivery.

SERVICES

- Production + arrangement
- Recording + vocal production
- Mixing + mastering
- Songwriting + artist development
- Game audio + sound design
- Remote and in-room sessions
